

BASEBALL TEAM ON

Eveleth Playing the Gophers Today-- Hibbing Walloped by the Dark- ies Yesterday

The Eveleth ball team is playing its first warm game this afternoon. The boys are up on the local grounds against the Colored Gophers of St Paul, one of the fastest ball teams in the state.

Yesterday the Gophers took a fall out of Hibbing on Eveleth grounds, score 8 to 1. The game was distinguished by heavy batting on the part of the darkies. Barton made a home run on a swat over the back fence at a cost of \$5 to the Miners National Bank. When the Hibbing boys batted the coons were right there to get them.

The Ironwood team will be here Saturday and Sunday. These games

are sure to attract large crowds
as Eveleth is heavily populated from
the Michigan mining town and their
team is among the speediest on the
road.
