

# BIG GAMES SCHEDULED

**The Crack Hibbing Team is to be  
Here Next Week for Three  
Games. Fastest Team  
Outside the Leagues**

The crack Hibbing team is to play here three games next Monday, Tuesday and Wednesday. This promises to be the baseball event of the early season as Hibbing has without doubt the fastest team in the state outside the big leagues. They are now touring this part of the state and on the trip are playing only those teams whose defeat will help them to clinch their claim upon the state championship.

There will naturally be some curiosity on the part of the fans to see how the locals will stack up against such a fast team as the Hibbing bunch. Coach "Rat" Johnson has

the men in hand and is putting them through some hard coaching practice this week. There will be a marked improvement in the team work of the team and also in the batting as a result of this coaching and there is little doubt but that the visitors will have to hustle every minute. These will be big games and large numbers of fans from neighboring towns are expected.

In a recent series between the Hibbing team and the Colored Gophers at Hibbing, Johnson who caught for the Gophers in that game, won the game for his team mates by hitting the ball over the fence in the ninth inning for a home run.

Monday and Tuesday games called at 3:30. The Hibbing team takes the afternoon train north Wednesday afternoon, so that fans living up the line can come down on the noon train, see the game which is to be played early, and return home on same train that takes the Hibbing players.
