

## "COLORED GOPHERS"

**To Have a Try With the Conrads and the Keystones.**

Local followers and base ball fans in general will gladly welcome the news that they are to see on Sunday, Monday and Tuesday, Sept. 19, 20, 21, our crack H. P. Conrad's team and the new world's champion Gophers on tomorrow at the H. P. Conrad's West Side Park; on the South St. Paul car line, at 3:30 p. m. This will be the first appearance at home of the Gophers since their defeat of Rube Foster's crack Leland Giants, for the world's Afro-American championship in July last, and preparations are being made to handle a large crowd at the new West Side Park.

The Conrads will be strengthened by the addition of several stars from the Wisconsin-Minnesota League, and the game will doubtless be a corker.

The Gopher management promises to take no chances and will present its star battery, "Steel Arm" Johnnie Taylor and McMurray, in an effort to defeat the Leaguers.

On Monday and Tuesday at the

Down Town Park, the Gophers begin a second series with their bitter up-the-river rivals, the Minneapolis Keystones, who have signed "Big Gatewood," until recently with the Leland Giants, and he will be seen in the box against his old team mates in one of the two games. Games will be called at 3 p. m. sharp.

On a recent trip of the Gophers under the personal direction of Secretary Irving Williams through southern Minnesota, Iowa and Wisconsin they won 28 of the 32 games played, defeating again the Leland Giants at Buxton, Iowa, Aug. 24, by a score of 2 to 0.

That's going some, ain't it?
