

ARMOUR NINE WINS SO DO TATE STARS

Defeat Schleimer Federals
and Dille Roads at
League Park.

Class A baseball failed to attract much of a crowd to League Park yesterday, only 1,452 persons going through the turnstiles to see the double header between the Armours and Schleimer Federals and Tate Stars and Dille Roads.

Pitcher Bell, who four weeks ago pitched the Schleimers to an eleven-inning victory over the Armours, yesterday pitched for the Armours and had the satisfaction of beating his former

teammates, 4 to 2, in a hurling duel with Trimmer. Errors behind Trimmer were responsible for three of the Armours' tallies. The Schleimers might have scored more but for poor work on the bases.

The Tate Stars were victors over the Dille Roads in the other game, 3 to 1. It was the Dille Roads' first defeat of the season. Brady pitched splendid ball for the winners, an error being responsible for the only run. But four hits were made off Brady. Marquard and Black allowed only five hits, but errors behind them permitted the Tates to score two of their runs.

The games were played expeditiously, starting at 1 and being over at 5:15.
