

WOULD LIKE TO HEAR FROM ALL MANAGERS.
 Pensacola, Fla., Dec. 29.
 Mr. Sporting Editor The Freeman:
 We would like to hear from all Southern baseball managers, we are trying to form a colored circuit. The 1920 baseball season is approaching. So let us get together at once and push

the Southern baseball circuit over the top. All baseball managers answer this letter at once. Don't be a slacker. Give us assistance, and we will go over the top. Hoping to get a bunch of replies at once, I remain,
DAN BROWN,
 Manager of the Pensacola Baseball Association.
 Address, 427 West Belmont Street,
