

CUBAN ALL-STARS COMING SUNDAY FOR BIG SERIES

The Cuban All-Stars, direct from Havana, will meet the A. B. C.'s in a double-header at Washington park Sunday, the first game starting at 2:30 o'clock. The Cubans also will perform against the A.'s Monday, Tuesday and Wednesday.

C. I. Taylor, manager of the local colored club, knows that in the Cuban aggregation he will have some stiff opposition, so in order that his players will be in first class trim, he will send them through practice sessions each day this week. Dismukes will work one of the games Sunday. A large crowd is expected to see these two colored teams in action.

CUBAN STARS ARRIVE FOR CONTESTS WITH A B C'S

Two strong rivals, the famous Cuban All-Stars, from Havana, Cuba, and C. I. Taylor's A B C's, will meet in a double-header tomorrow afternoon at Washington park. The first game will start at 2:30. Dicta Johnson, who, while playing with another colored club last season did not lose a game to the islanders, is the choice to start on the mound for the local team in the first contest. Dismukes will start the second. Facing Johnson will be LeBlanc, speed-ball artist. Martinez is expected to open the second game for the visitors.

The Cubans arrived in Indianapolis yesterday from Havana, not having played a game en route, but were scheduled to appear at Anderson this afternoon. Manager Molina says his players are in first-class shape, having performed in the Cuban National League during the winter. Another

large crowd is expected to watch the colored clubs in action. More than 6,000 were present when the A B C's opened the season last Sunday.

A, B, C'S AND CUBANS GET TOGETHER IN THIRD GAME

Charleston's great fielding in center field was one of the many features of the double-header at Washington park Sunday afternoon, which was played before a crowd estimated at 10,000 and which the A. B. C's won from the Cuban All-Stars, both scores being 4 to 2. The flashy gardener, with his back to the stands, leaped into the air and pulled down a long drive in the ninth inning with two men on and saved the first game from

going into extra innings. He also made two other good catches and was a big factor at the bat in both contests, getting four hits for the day.

Fast fielding featured both games. The Cubans also cut in with some nice work in the field, their young shortstop playing particularly well. Johnson was on the hill for the winners. In the second game, Dismukes threw them over the plate, allowing only two hits in six innings.

The A. B. C's and Cubans play at Washington park this afternoon, tomorrow and Wednesday. Games will be called at 3:15. Next Sunday the Kansas City Monarchs meet Taylor's club in a double-header.
