

FOSTER'S GIANTS, COLOR LOOP LEADERS, TO PLAY A. B. C.'S HERE SUNDAY

Rube Foster's American Giants, of Chicago, said by many to be the fastest colored baseball club in the country, will be the attraction at Washington park Sunday, meeting C. I. Taylor's A. B. C.'s in a double-header, the first game starting at 2 o'clock. Foster's team has not been seen here for a number of seasons, and it is expected to prove a big drawing card.

The famous Chicago aggregation is now leading all clubs in the Colored Baseball League and is putting up a real article of ball. The A. B. C.'s, who are ending their series at Detroit, with the Detroit colored club, are in third place in the colored loop standing.

Since taking the long road trip, which comes to a close this week, Manager Taylor has run into plenty

of bad luck. His second baseman, Dewitt, received a broken ankle in one of the road series and is now here. Then one of his pitchers, Rile, jumped the club, and on top of this Charleston, star center fielder, injured his leg and was slowed up a great deal. To top things off, both of his catchers, Powell and Murry, were injured, and Taylor had to grab on to an inexperienced receiver.

A. B. C.'S AND AMERICAN GIANTS OPEN HERE SUNDAY

After playing at Muncie tomorrow, C. I. Taylor's A. B. C.'s will return to Washington park for a stay of five weeks and some of the fastest colored teams will be seen in action here. The Indianapolis club has been a month on the road, breaking a little better than even in games won and lost, but Manager Taylor lays a number of defeats to his crippled lineup and now that his team is almost in

full fighting force again, he is ready to show the home folks how his club is up in the race for the Western Colored League championship.

Two games will be staged Sunday, the A's meeting the famous American Giants, of Chicago, the team that is setting the pace in the colored loop. Foster's aggregation from the windy city is rated as the best colored club in the country.

Single contests will be played Monday, Tuesday and Wednesday. The first Sunday scrap will start at 2 o'clock.

A. B. C.'S GET NEW PITCHER FOR GAME WITH GIANTS

Manager Taylor, of the A. B. Cs. in order to attempt to take the coming series with Rube Foster's famous

American Giants, of Chicago, was in New York yesterday after two players who would bolster the local colored club, and the As will trot out on the field Sunday with probably the strongest lineup they have had this season. Two contests will be staged Sunday, the first starting at 2 o'clock.

Taylor landed Pitcher Rile in New York, and stated that he would have another infielder when he got in town. Rile will twirl the opening scrap. DeWitt, flashy second baseman, is still on the injured list.

The speedy Windy City aggregation has not been seen in action in Indianapolis for four years and a great crowd is expected to turn out and witness the battles. Foster's club is rated as the best colored team in the country, and winning a series from the visitors is something to brag about. The A. B. Cs are now in full fighting force and will be working hard in order to show the home folks what they are made of.
