

A. B. C.'S BEST MONARCHS.

After winning by a 5 to 4 count in ten innings yesterday, the A. B. C.'s were out to clinch the series with the Kansas City Monarchs this afternoon at Washington park. By dividing a double-header Sunday and coping yesterday's game, the local colored club needs but one more contest to clinch the series as these teams end their meetings here tomorrow.

Pitcher McClure and Catcher Mackey, both recently secured from San Antonio, Tex., were the stars for the A.'s Monday. McClure took the mound in the ninth inning with two on and no outs, holding the slugging K. C. outfit scoreless. The Indianapolis team was trailing, 4 to 3 when it went to bat in the ninth. Taylor's club tied the score and then won out in the extra inning.
