CHICAGO GIANTS AND A. B. C.'S IN DOUBLE BILL

A capacity crowd is expected to see the A. B. C.'s take on the speedy Chicago Giants in a double-header at Washington park Sunday afternoon. The first contest starts at 2 o'clock. This will be the last home appearance of the local colored club until the Indians take to the road again. The series with the Chicago team will wind up Monday with a single game.

The Chicago Giants have been gaining ground in the race for the Western Colored League title and are expected to make the A.'s step some in order to grab the series. The Windy City team has won seventeen out of the last twenty-five games played, most of the scraps being against the strong clubs in the loop.
