

## Gilkerson's Union Giants

Spring Valley, Ill., April 30. — The Union Giants will start training here May 10, the uncertain weather making a late start necessary. After losing Boyd, Jack Marshall, Rubo Currie, Cunningham, Harris and McNear to the new circuit, we still will be able to put out a team that will not suffer in comparison with the teams in the new circuit, who are as yet only great on paper. After the usual two weeks' period of training we start west, opening at Dubuque, Iowa, May 22-23. We will be located at Lakeview, Iowa, where we have a park for Sunday playing, and we travel week days throughout the Northwest. We are located an equal distance from Omaha and Sioux City, Iowa, 103 miles, and 139 miles from Des Moines. We have the following players: Coleman, Turner, Fields, W. Jones, Williams, Lowe, Bingham, Lynch, Blackburn, Hardy, G. Jones, Smith, Poston. Write, Robert Gilkerson.
