

## MARCOS AT ST. LOUIS

The Dayton Marcos will travel to St. Louis, where they hook up with the St. Louis Giants for a series of five games. The first game starts Sunday, May 30; the teams also play Decoration day and Tuesday, Wednesday and Thursday. The Marcos have one of the best young teams on the circuit; they downed the American Giants and have a long string of victories to their credit. The St. Louis Giants, with Drake, their star pitcher on the slab, are able to cope with any of them; the two teams should put up a tough and gory scrap.
