For seven innings, last Sunday, at Woodland Hills the Tate Stars and Schleimers were neck and neck but in the eighth inning the Schleimers got busy and, thru several errors by the Tates and a couple of well placed hits, proceeded to sew up the game. Brady, the Tates' pitching ace, was not as effective as usual and was replaced in the eighth by "Rube" Henderson. Sharkey played a nice game, while for the Schleimers', Tanners at first and center fielder Webber were stars. Webber committed highway robbery when he captured Devoe's apparent triple in deep left center.
