

TATES ARE VICTORS.

By far the largest crowd, that has ever attended a game at Naco field, Sunday, saw the Naco Giants go down before the fighting Tate Stars, 4 to 2, in the first of their three-game series. The Nacos went into the lead in the second inning but the Tates were not to be denied and tied it up in the fifth thru a walk, a hit, sacrifice and an error and forged to the front in the sixth, adding their last tally in the ninth. The Stars were outhit three to one but Lefty Brady tightened in the pinches and refused to allow the timely bingle while Leonard's walks and several bunched hits proved his undoing.
