The Tate Stars went down before the Gilmours, Sunday, at Woodland Hills, 11 to 8, in an exciting game, with a crowd of 4,000 fans looking on. "Ruben" Henderson started for the Tates and was led to the showers in the sixth and Lefty Brady took up the burden. The 'Tates' defeat was due solely to errors of commission and omission by Williams, Reel, Sharkey and Walton, the latter being the chief offender. The 'Tates' started a great batting rally and scored five runs. Wilson's mighty drive to left scoring the last three runs.

The 'Tates' defeat, Sunday, eliminates them from further competition in the C. A. B. A., this year. Too bad, because with one or two holes filled up they appeared for a while as the best in their class. The short-

stop position has never been filled, this year, properly, the last player they've had, being the worst of the lot. The base-running has been particularly bad.
