

HARD GAMES FOR LINCOLNS.

The Lincoln Giants will face two formidable propositions in the double header at Olympic field in Harlem tomorrow afternoon. In the feature contest they will tackle the Robins Dry Dock nine, which will have Hack Eibel, the former International Leaguer, in the box. Eibel lost a decision to the Lincolns early in the season and is eager to make up for it. He will be opposed by Williams. In the first contest the Lincolns will play the Maujers, one of the oldest independent nines in the East.
