Helps Hilldale to Victory With Homer in Sixth Inning

Johnston's home run clout over the left field fence in the sixth inning, scoring two men ahead of him, proved the undoing of Lefty Sterling, the premier twirler of the Roxborough team, who pitched yesterday afternoon for the Atlantic City R. R. team at Hilldale Park. Prior to this hit Sterling had pitched good ball, allowing the Hilldale team only two hits, but through his wildness and the errors of his teammates, Hildale managed to get two men over the rubber; score 9 to 3.
