

Brown's Tennessee Minstrels gave a tent show here last Thursday evening which was fairly well attended. In the afternoon their baseball team, the Tennessee Rats, defeated the local ball team by a score of 2 to 0. They have "some ball team," from the way they took into camp the teams down the line, including the Homer, Allen, Winnebago, and Walt-teams.

The Tennessee Rats, a colored ball team, defeated Dakota City in a very interesting game last Thursday by a score of 2 to 0. Don Best did the pitching for the home team and held the Rats to five scattered hits. The Rats are a fast bunch of ball tossers, and do their part in putting on an interesting game. The battery for Dakota City was Best and Heikes.
