

BASEBALL GAMES IN NEW YORK CITY.

Olympic Field's record crowd of the season saw the Cuban Stars of Havana even the series with the Lincoln Giants last Sunday. Although the Cuban Stars were returned the victors, they had to play at top speed to beat the home team. Errors by Captain James and one or two others were responsible for the defeat of Cyclone Joe Williams in the first game. Williams was not in such good form, but should have won his game had he had the support. The score was: first game, 9 to 8, and second, 6 to 4. The teams are now even on the series with two games.

Philadelphia Giants beat the Suburbans in New York City 3 to 1 Sunday. Batteries—Sykes and Gatewood.

Baltimore Colored Giants were defeated by the Un. Course Athletic Club last Sunday at Wood Haven, L. I.
