

FOOD FOR FANS.

Cannon Ball Redding shut out the Royal Giants in the first game of the double-header last Sunday, holding them to five hits.

In the second game the Royal Giants hit Cyclone Joe Williams for fifteen hits, sending the Lincoln Giants down to defeat by a score of 4 to 2.

The Lincoln Stars carried off both of their double headers, defeating the Jeffersons by a score of 9 to 0, and Mike Donlin's All Professionals 7 to 2. In the opening game of the season the Jeffersons defeated the Lincoln Stars, so this evens up the series.

Record crowds turned out at Lenox

Oval and Olympia Field to see the games. This is certainly a great base ball time in New York.

Charleston has certainly made a big hit with the fans at Lenox Oval. With the bases full and two out in the seventh inning Charleston ran back to the fence in the left center and made a wonderful one-hand catch just as the ball was going over for a home run.

Santop made his first appearance behind the bat on Sunday, when he caught the two games. Top has been playing left field all

playing left field all along and has been hitting the ball on the nose.

A team known as the Cuban Stars was scheduled to play at Ridgewood on Sunday, but for some reason or other did not appear.

Capt. Pettus, of the Lincoln Stars, has certainly performed wonders with the team at Lenox Oval. Starting off with hardly any team at all, the Lincoln Stars at the present moment looks like the best team in the east.

Charlesion, Parks, Pettus, Santop and Johnson are certainly some hitters to face.
