

LINCOLN GIANTS BEAT U. M. C. BOYS

The Bridgeport Stars, composed of U. M. C. players, gave the Lincoln Giants a fine argument but the colored wonders finally won the game at Newfield park yesterday by 4 to 3. The score was 3 to 3 until the ninth when Redding tripled to center and scored the winning run on Forbes' single.

Speed Finn started on the mound for the locals and held the visitors to two runs in the five innings he worked. Johnny Barron, who labored in the last four, gave the Giants six hits and two tallies. Jimmy Burns and Horkheimer were the leading clouters for the locals, each getting two hits.

Bowden got around for Bridgeport in the first. After he forced Silzer he took second on a wild throw and scored on Flaherty's hit. Singles by Bowden, Burns and Horkheimer and Burke's double produced two for the locals in the sixth.

The Lincoln Giants pulled some pretty good lines during the contest with the Bridgeport Stars at Newfield yesterday. A local fan yelled, "We're

going to make three this inning," and Catcher Pierce of the Giants replied, "You couldn't make three with a lead pencil." When the visitors arrived at the park early there were no spectators on hand. "Here's a good time and nobody at it," observed one of the chocolate soldiers.
