

UNION GIANTS BACK FOR TWO WEEK-END GAMES

Manager Bradford of the Storz has scheduled the Chicago Union Giants for return games Saturday and Sunday at Rourke park. Second Baseman Johnson of the West Baden Sprudels will join the Giants at Clarinda, Ia., this week. Johnson was signed by Manager Peters on the recommendation of Simpson, the Giants' crack slabman, and is touted as being one of the classiest colored infielders in the country. With the arrival of Johnson, Payne will return to his regular position in left field.

Olson, whose magnificent pitching was a great factor in the winning of the first game of last Sunday's double bill, will be held to oppose Simpson, who had the locals at his mercy in the final contest.
