

Storz Victorious Over Union Giants

By compiling a safe majority in the early part of the game, the Storz won from the Union Giants in the initial game at Rourke park, by a score of 7 to 4.

The Brewers were in need of the large margin, as the Giants were beginning to take a liking to Hay's slants. The ebony-hued gents outhit the Storz almost two to one, but were unable to bunch them on account of the effective work in the pinches by the stocky Storz slabber.

After getting their poor work out of their system, the Giants exhibited their true ability. Bingham, the comedian of the colored crew, nabbed Graham's high fly against the right field fence with one paw, in the fifth. Again in the seventh, Turner made a spectacular catch of a foul, while running full speed against the right field bleachers.

The Storz presented a somewhat changed appearance with Dygert behind the mask and pad and Eddie Roben in center. Dygert held Hay up in good fashion, while Roben busted three safeties during the course of the afternoon.

This afternoon the same teams will stage a double-header, the first game beginning at 2 o'clock. Olson will probably work in both games for the Storz with Simpson and Hill on the firing line for the Windy City colored boys. Score:
