

**A. B. C'S TOO FAST  
FOR MINOR LEAGUERS**

**Colored Champs Cut Loose on the Bases and Romp Away With Double-Header—Flashy Plays Frequent.**

Manager Taylor of the A. B. C.s has drilled so much base running knowledge into his colored champs that it is going to take an all-powerful outfit to grab a game from them. This fact was shown at Federal park Sunday, when the A. B. C.s defeated the All-Stars, a minor league aggregation, 12 to 1 and 7 to 0. The Stars were caught napping several times by the winners' flashy work on the paths.

With less stolen bases to the credit of the Taylor aggregation the All-Stars might have had a chance. As it was the A. B. C.s got away with a rush at the start of the first game and were not headed the entire afternoon. Myers of the Fort Wayne club pitched good ball for the All-Stars in the second game, but his support was ragged. There were a number of fielding features. Scores:
