

DR. HENRIQUEZ HAS ARRANGED NEW SCHEDULE

**Cubans to Play Here
as Often as Five
Times a Week
Hereafter**

**NEW YORK POLICE
HERE ON MAY 27**

After nearly three weeks without a baseball game, Dr. Henriquez comes forth with an announcement that the coming weeks will see the Poughkeepsie Cubans pastiming on the Riverview Field at least twice a week and in many instances five times a

week. The new schedule offered the local fans will bring the greatest baseball attractions ever. The new schedule starts off with the New York Police Department team which will perform here Saturday, May 27. From then on the local fans will get games galore.

No Games Scheduled After July 15

In a letter from Dr. Henriquez the manager of the Cubans states that he has only scheduled games up to the 15th of July. In giving his reason for not scheduling games after July 15 Dr. Henriquez says that he is of the opinion that Poughkeepsie may get a New York State League franchise by that time.

"Already I have talked over the proposition with several of the Farrell Circuit magnets and all are confident that Poughkeepsie with the Cubans representing the city would prove a great attraction for the league," said Dr. Henriquez.
