

THE BIG GAME OF THE SEASON—On Friday afternoon, September 1, the big base ball game of the season will be played on the Pine Plains high school grounds. The opposing teams are the Pokeepsie Cubans and the Royal Colored Giants of Brooklyn. These teams have played four games together this season with the following results: First game 4 to 3 in favor of the Cubans; second game 3 to 2 in favor of the Giants; third game 5 to 4 (11 innings), in favor of the Cubans; fourth game 3 to 3, called on account of darkness. This will be the deciding game, and to make it still more exciting a cash prize is to be given to the winning team. These are two of the strongest base ball teams that are playing outside the big leagues, and both teams have beaten several of the National and American league teams this season in exhibition games. It costs nearly \$300 to bring these two teams together, but it gives our people an opportunity to see a big league ball game at home, and no one should raise the opportunity. The coaching of the

colored team is worth the price of admission alone. Game called at 2:30 o'clock. Admission 50c, children under 12 years 25c.

Coming Events.

August 31—Moving pictures at Memorial Hall.

Sept. 1—Base Ball game, Pokropsie Cubans vs. Royal Colored Giants at 2:30 p. m.

Sept. 2—Moving pictures at Memorial Hall.
