

## ROYALS VS. LINCOLN GIANTS.

The Royal Giants, Brooklyn's crack color ball team, and the Lincoln Giants will meet in the sixth and seventh games of their little championship series at Olympic Field, 136th street and Fifth avenue, this Sunday. The teams already have engaged in five games, and of that number each won two and one resulted in a tie. Since their last meeting in Ridgewood the Royals have been strengthened by the addition of Lefty Harvey and Santop of the Lincoln Stars, and as a result they feel confident they will beat their rivals in both games on Sunday.
