

## ROYALS VS. EMPIRES.

The Royal Giants, Brooklyn's crack colored ball team, will be seen in action against the Empire City nine this Sunday in the deciding game of their series at Arctic Park, Flushing and Wyckoff avenues. The Royals won the first game, but were defeated in the second contest. Since that game, however, the team has been considerably strengthened and expects to find no difficulty annexing the rubber tilt. Johnny Enzmann, star pitcher of the Newark Internationals, will oppose Lefty Harvey on the firing line. In the first game, at 1:30, the Empires will clash with the New London club.
