

Coast Leaguers to Play Colored Team

What is slated to be one of the best semi-pro games staged here in several months will be held tomorrow afternoon on the Vernon diamond when the Western Pool Hall team, composed of Coast league players, meets the Los Angeles White Sox. Donaldson, considered to be one of the greatest southpaws in the game and who would be in the major leagues if it was not for the fact that he is colored, will twirl for the White Sox.

Walter Slagle, former Angel hurler, will work for the Western squad. Other well known players on the team are Gus Gleichmann, Jess Orendor:, Hillyard and Johnny Butler.
