

At Rourke park today the Storz will play against the All Nations. In all probability Donaldson will pitch for the visitors and Hayes for the Storz. A close game is predicted. The next attraction booked by Manager Bradford is Crawford's All Stars for next Saturday and Sunday, and later on during the season the Chicago Union Giants and Leland's Chicago Giants will be here.

Carl Rathke of the Black Kats pitched for Blair (Neb.) last Friday against the All-Nations.

The Black's Kats have a new manager, Gerst Meyer. Their other manager, Walter Overman, resigned.

Crawford's All-Stars, the Chicago Union Giants, and the world's colored champs, the Leland Chicago Giants, have all been booked to play in Omaha.

John Dennison says his base ball ambition will be reached, when his team trims the Storz. Bradford says he will give him another chance.

Bernard Probst played with Blair, Neb., last Friday, against the All Nations. Blair wants him every Sunday and offered \$5 and meals per game for his services.
