

Tennessee Rats Take Game From Brandeis

Viviens' stunts proved too much for the Brandies boys at Rouke Park yesterday and they went down to defeat by the score of 4 to 1 before the Tennessee Rats.

The colored boys played great ball and deserved to win. Potach started for the locals but lasted but four frames. Seven hits good for four runs being made off his offering. Olson releived him in the fifth and stopped the scoring but it was too late. Four hits were all the locals could get off Viviens who was in grand form.
