

ALL NATIONS WIN FROM COGSWELL MEN

Oakes, N. D., June 18.—In an exceptionally good exhibition of the national pastime, the All-Nations team, composed of representatives of numerous countries, defeated the Cogswell nine here yesterday, the score being 4 to 0. Donaldson, the great negro pitcher, hurled for the All-Nations, and in nine innings he struck out 23 men.

This season, Donaldson has pitched two no-hit games and also has pitched 48 consecutive innings without being scored on.

The All-Nations are now touring the Northwest. They started the season in Oklahoma City, Okla., where they trained for the 1915 work.

Donaldson is one of the greatest pitchers in the world, and would be in the big leagues if it were not for his color. Mendez, the remarkable Cuban, player, also is with the All-Nations again. Jacobi, a new Japanese pitcher, has joined the club and is playing a great game. Blatnier, the giant Hawaiian second baseman, is again with the team, and Popez, the Mexican shortstop, is playing his usual great game.
