

A. B. C.'s baseball club will
 bunch of new players this sea-
 son. A few of the best of the old
 players as thought, will show up at
 the sounding of the gong to play ball.

Memphis Eagles baseball club
 begin their spring training at
 Klondike Park, March 15. Would like to hear from
 traveling clubs.

John Taylor, steel arm John, as he
 is better known, is in Indianapolis in
 the interest of the A. B. C.'s baseball
 club, of which his brother, C. I. Tay-
 lor, is part owner and manager. Steel
 Arm John is one of the famous col-
 ored pitchers. His name is suggestive
 of his ability. He was formerly of
 the West Baden Sprudels, with which
 club he won his reputation. He will
 be seen this year in the A. B. C.'s
 pitching box. It is thought that in
 the reorganization of the club he will
 be one of the chief attractions.
