

COLORED GOPHERS TO PLAY CARRS IN SOUTH ST. PAUL.

The Colored Gophers of Minneapolis, an organization which recently downed the fast Litchfield and Brainerd clubs, will appear at South St. Paul Athletic park on Sunday afternoon against the M. J. Carrs. A feature of the game will be the appearance of the heaving line for the colored boys of Cannonball Jackson, until recently a member of the twirling staff of the All-Nations club.

Bobby Marshall, former Minnesota athlete, will be in the Gophers lineup.

Grabe will do the pitching for the Carrs and Nelson will catch.

The third of the series between the Carrs and West Side Athletics will be played late in August.
