Fans will not be without baseball when the Evas leave for the north the latter part of this month. Two of the best colored teams in baseball today, the Cuban Stars from Havana, Cuba, and the A. B. C.'s of Indianapolis will play three games at Bosse field, June 21, 22, 23 as the opening trio of a series of nine games for the colored championship of the United States and Cuba. The remaining six games will be played in Indianapolis.

The teams will be brought here under the auspices of the Cherry street colored Y. M. C. A. And in doing so, Secretary J. C. Hayes has given local fans the opportunity of seeing two of the best negro teams in the world in action.

All followers of baseball know the reputation of the A. B. C.'s and for those who have never heard of the Cuban Stars let it suffice to say that on several trips they have made to the United States they have met and defeated the best semi-professional teams, both colored and white, of all section of the country.

While in Chicago last season the Cubans defeated such teams as the White Giants, Leland Giants, Logan Squares, the Gunthers and the River-views. On their trip they also trimmed the Beloit, Wis., Fairbanks-Morse team, the Minneapolis Keystones, the St. Poul Gophers, the St. Louis Giants, and other strong teams in the North, West and South. Several former players of this team are now in the big leagues. Cubans not being barred among them are: Cuteo of Cincinnati, Gonzales of St. Louis and Marsans of the St. Louis Browns.
