

GLOBE IS READY FOR ROYAL GIANTS

Fans Promised Brilliant Battle

Wednesday — Game to

Start at 4:45

The Globe Tire team will have a battle on its hands when the original Brooklyn Royal Giants invade the West End's grounds Wednesday afternoon. This colored team is conceded the best collection of ball players and comedians ever assembled, and the crowds they play to wherever they appear stamp them as the best drawing card obtainable.

Every convenience obtainable is ready for all spectators. The Trenton and Mercer County Traction Corporation will have cars in readiness to take the crowds home to every section of the city, while extra cars will be run on the Prospect Street and Pennington Avenue lines before the game.

The patrons coming in automobiles will find splendid parking ground outside of right field fence, with men to take care of the machines.

The game will start at 4:45 o'clock, so as to give the various building trades workers, machinists, office help, clerks, business men and women, rubber workers, etc., an opportunity to patronize this contest.

There is no reason why a team composed of Lennie Frost, Baby Jaynes, Red Justice, Billy Lloyd, Jimmie Travis, Andy Werner, Hillbourn, Warwick, McKee and Neuman should not give the Trenton fans good baseball.

With the proper support, the Chinese of the University of Hawaii, Japanese, Cuban Stars of Havana, Cuba; New York Giants, Yankees, Dodgers, Philadelphia Nationals and other big league clubs, will be seen on the Globe Tire Athletic Field before the season closes.

With the new bleachers seating 1,200 more people, the diamond in first class shape and weather-permitting, the largest crowd of the season should pack the grounds.
