

## Base Ball

Last Thursday the fast semi-pro. "All Nations" crossed bats with the Hurley ball players on the local diamond.

The Hurley team lined up as follows: R. Elliott, catcher; Leland Stoddard, pitcher; Roy Rundell, 1st base; Bert Elliott, 2nd base; L. E. Stoddard, 3rd base; R. E. Billings, short stop; C. Miller, right field; W. F. Burroughs, center field; A. Rummell and H. Woodward, left field.

While no one expected our boys to beat this aggergation, all were pleased with the showing of the home team which played steady, consistent ball, only two bobbles being made in the nine innings. Each nine secured four hits, but daring base running, with inopportune errors, allowed the "mixed" bunch to beat us, 5 to 3.

The attendance was good and all were pleased with the game. Support for the home team for the coming season is sure.

Next game will be with Viborg on Friday, June 11.
