

RIDGEWOOD'S FINE CARD.

Cuban Stars, Royals and Bushwicks to Play To-day.

Three of the leading semi-pro teams now playing on local diamonds will be seen in action this afternoon at Wallace's Ridgewood Grounds, Halsey street and Wyckoff avenue, Brooklyn. In the first game, at 1:30, the Cuban Stars, who are piling up a great record, will be pitted against the Royal Giants, and the winner of that game will face the Bushwicks in the final tilt.

The Cubans, after a poor start, braced sufficiently to win nine of their last ten games, a record that few local semi-pro teams can boast of. The team is well balanced and is sure to make considerable trouble for the Royals. They will have their star pitcher, Suarez, pitted against Lefty Harvey. Girard and Hohman will work for the Bushwicks.
