

MOORHEAD BASEBALL

Three Most Interesting Games Are Scheduled for Athletics Who Will Have to Play.

Moorhead will not be without a game of baseball on the Fourth, for Manager Murray has scheduled games with a team which will be composed of men of all nations and there will be two games played, one at 3 and the other at 6:30 in the evening.

The All Nations team is a traveling aggregation and is managed by a man named Gaul who says he has the real thing in baseball and two interesting games may be expected. The All Nations have played such strong teams as Duluth, Winnipeg and Hibbing and defeated them all.

Remember the big game tomorrow when the Tennessee Rats will play the Moorhead athletics. This is a strong team of all colored men who can play the game and the athletics will have to go some to defeat them.
