

Baseball Notes.

Word has come to Barney Dreyfuss from Hans Wagner that the Dutchman will be ready to play again next Friday.

William R. Kurz—1. Yes, it's a strike. 2. Batter is out. 3. If the foul tip isn't caught it is a strike unless the third strike, in which case it is just a foul.

Rube Foster's American Giants of Chicago will make their first appearance in New York this season to-day, when they will line up against the Cuban Stars in American League Park on the Hilltop, the home of the Highlanders.

Catcher Kelley joined the Pirates yesterday. Martin O'Toole, the \$22,500 pitcher, has a lame arm and won't go in the box until his arm is all right. He will go to his home in South Framingham, Mass., until ready to pitch, and may rejoin the Pirates in Boston.

A. and B.—1. The play is entirely too complicated to be described in detail. Can only refer you to the files. 2. He gets credit for as many bases as he reached prior to the runner crossing the plate. A two bagger if he reached second before the run came in. Game ends the moment the winning run is scored.
