C. will have as their opponents on Willamson Oval, Bloomfield, tomorrow afternoon the fast Pittsburg Colored Giants, which aggregation has taken the measure of the Lincoln Giants and Cuban Giants. The Pittsburgers are well known in this vicinity for their ability to play the game from the start. Hanly and Burdette will work for the Bloomers, while the Pittsburgers will likely use Poke Green.

Manager John Gosman has booked the fast Royal Giants to play his Caldwell A. C. at Caldwell tomorrow afternoon. The Royal Giants are about the fastest negro aggregation in the East, having defeated such noted nines as the All-Cubans, Cuban Stars and Ridgewoods. The management of the Royals positively states he will bring over his regular team and thus the Suburbanites will have to be at their best to record a victory. Earl and Wiley will form the Giants' battery, while the old reliables, Hipfel and Brewer, will be in the points for the Caldwells.
