## BASE BALL.

### Conrads vs. Gophers.

The second game of the series was played last Sunday at Lexington Park. The Conrads losing Saturdays game. Bad weather had its usual effect on the players and attendance. The Conrads scored first run in the third inning. The Gophers, by placed hits from Armstrong and Bowman, scored three runs in the fourth. The game later became more interesting when the Conrads rallied and piled up runs on the Gopher's errors. The score stood 5 to 6 in the ninth with two Conrads on bags; but by the fast work of Mc Dougall and Marshall they were left there. The features of the game were, the pitching of Pangborn and overhead catch of Binga running towards the outfield and a one hand catch of a hard line drive by a player of the Conrads. The Gophers had a good chance to loose. The team is very strong and they have many hard teams to play during this month. But they can go some. Every player is above the average. What? Whose condition? Well say They are hard as pig-iron and quick as chain lighten-

ing; and will be able to hold their "Colored World's Championship," which is to be the great event this year.

Bring 'em in Irving, with bells.

Among the attendance we noticed, Phil. Reid, Jno. Hirschfield, Joe Brown, "Teddy," Gus. Henry and Sig Harris, of St. Paul, and Bob Glenn and Handsome Jim Smith, of Minny.

"The St. Paul Colored Gophers," with Irving Williams, manager, began their fourth season May 16th at Aberdeen, S. D.

The team this year contains six members of the last season's team which won the undisputed championship among the negro clubs, as well as the independent championship of the Northwest. They have been reinforced by several new star players, who give promise to help maintain the record achieved by this organization in the past three years.

Team of 1910 is as follows: Davis, Ford and Pangbroke, pitchers; Armstrong, Wesley, catchers; Embry, first base; Bowman, second base; Binga, third base and captain; McDougall, shortstop; Barton, Millner, Gaylor, outfielders. The Gophers played the Leland Giants, of Chicago, for the world's championship in 1909, and won three games in the series of five.

**Mr. W. F. Mitchell, owner of "The  
Keystones," formerly of Minneapolis,  
has joined the Texas Baseball League.  
The team left six weeks ago, playing  
towns enroute to San Antonio, Texas.**
