GOPHERS SWIPE WHOLE SERIES

The St. Paul colored gophers came, saw and conquered and went away leaving the Fargo athletics vanquished on the field Monday afternoon, after another game in which they easily won by a score of 6 to 3 from the home team. The game was marked by its heavy batting, which apparently is one of the strongest features of the gopher's playing. Finnegan pitched for the athletics in place of Tierney who sustained a sprained ankle at the morning game. Finnegan enlivened the game and kept the visitors guessing most of the time but they connected for six hits.

Following is the score by innings:
