

N. D. TEAM MADE GOPHERS BITE DUST

With a record of 104 victories out of 131 games played during the 1910 season, the St. Paul Colored Gophers yesterday closed the most successful season in the history of the whirlwind twilight organization. Under the management of Irving Williams, the St. Paul team, owned by Phil Reid, has made a circuit of the entire northwest, playing all of the fastest teams in Iowa, North and South Dakota, Wisconsin, Michigan and Minnesota. The dope sheet shows nearly 80 per cent of the games won.

The Gophers lost the world's colored championship to the Leland Giants this season, the Chicago boys proving the faster in two series. "Except for the Lelands, we carried off the long end of every other series with one exception. The Valley City, N. D.,
