SPECIAL TO THE FREEMAN:

CHICAGO, Ill., June 1.—Showing brilliant team work, the Chicago Giants won their game on last Sunday against the Philadelphia Giants, at Auburn Park, by the score of 3 to 2. It was a pitchers' battle, and "Cyclone" Williams proved to be the hero.

In the outset the Chicago Giants proved the better team by bringing in two scores, showing excellent work both on the offensive and defensive side. Hayman pitched some good ball, but this was overshadowed by his "monkey" business at the bat.

Old man Wilson and his team were in good shape, but not enough trimmings to bring the "coonskin home." It was a great game. It was fast, exciting and interesting. The "rooters" enjoyed it and the ladies seemed pleased. When Green made that sensational catch in

right, the fair sex waved their handkerchiefs and screamed with joy.

"Chappie" Johnson electrified the fans by throwing some very fine balls at second, which proved to be true as steel, and he did not fail to hold the lightning spheres that were sent home by "Cyclone" Williams.

The largest crowd that has witnessed a team play here this season was present at the game. All kinds of baseball maneuvers were executed by both teams, with the Chicago Giants more advanced. The ninth inning was a little sensational—two men on base, two outs, and a high fly was batted by Pierce, but Wallace was there with the mitt and nothing doing for the opposing team.

Logan Squares, 2; Giants, 1.

On Decoration Day the Chicago Giants lost to Jimmy Callahan's braves by a score of 2 to 1. It was one of the fastest games that has been played by a City League team this season. The Logan Squares landed a run in the fifth inning on Lindholm's double to Wallace's error. The Giants tied the score in the eighth, after Talbert had been hit by a pitched ball and taken third on Green's single. Talbert scored on Callahan's throw from behind second base, the ball taking a bad bounce and eluding Uckerman's grasp. The winning run was made on Lindholm's single. Ball pitched a good game, but the fine playing on the part of Callahan, Lindholm and Uckerman did the work for the Logan Squares. Winston's fielding was ery clever. The score:

Cubans Stars, 4; West Ends, 2.

The Cuban Stars put another Chicago League team to rout on Decoration Day when they trimmed Frank McNichols' West Ends, 4 to 2, at West End Park.

Pedroso, who beat Rogers Park two days previous, pitched great ball, holding the West Ends to three hits, of which two were of the scratch variety.

Trinkaus twirled excellent ball up to the seventh session, when the Stars put three runs across the plate on two singles and Parpetti's homer, which put them in the lead, which they held.

McNichols played well at second. The score:

Philadelphia Giants, 4; Rogers Park, 0.

The Philadelphia Giants trimmed Rogers Park, Decoration Day, shutting out the Chicago Leaguers, 4 to 0, at Rogers Park.

The third inning proved fatal for Ryan's men, for after two were down the black boys put three runs over the plate on hits by Barber and Francis and errors by Gertenrich and Kinnally.

Rogers Park had many chances to score, but Fisher was too much for them when hits meant runs. Fisher allowed the North Siders but four hits, while Doc Ovitz fielded in fine style. The score:

Leland Giants, 14; Gunthers, 8.

"Rube" Foster is still king of ball tossers. He won two gagmes on Decoration Day and won on the previous day. Decoration Day they played the Gunthers. It was a double-header. The first game was very cleverly played, while the second was mere pastime, yet the fans seemed much pleased with the exhibition. Fred Bergman's long home-run hit over the back fence saved Neisen's men from a shut-out in the early game, while Lloyd starred in a one-handed catch.

"Rube" was satisfied to win the first game, so Wickware tossed the ball for the second series. In the eighth inning the Giants, stung by a decision on a passed ball, pounded out four runs off Jie Bradshaw and then the Gunthers landed three against them, Shall sliding into the home plate for a fourth run that Umpire Frye called out.

The Leland Giants showed greater ability than their white opponents. They played better ball and they went on record as winning their thirty-third straight victory. The score:

Lelands, 14; Normals, 1.

On last Sunday the Leland Giants defeated the Normals by a score of 14 to 1. It was a one-sided contest, the Lelands showing that they outclassed the white boys. Daugherty's superb hitting, followed by terrific hitting of other players, won the game. Petway pitched and the Caucasians could not touch his fast balls and "comet" curves. The score:

Baseball Gossip.

Now that was a beautiful crowd last Sunday at the Chicago Giants' Park.

The Chicago Giants are now second, but the boys say that it won't be long before they will be in first place again.

Hurrah for "Chappie" Johnson! He was back in form Sunday. All right, Chap, the boys have their eyes upon you.

"Rube" has won thirty-three straight games. He must be a Mason. Go on, "Rube," you may become a Shriner in "baseballdom."

Green brought down all the applause on last Sunday when he made that famous catch in right. In the same inning Wallace went up and got Pierce's high fly and this closed the game in favor of the Giants.

All the boys are playing fine ball. They seem to be going home and taking their rest on Saturday nights. Good rest and practice helps to win games.

The ladies scream with joy when they see a good play made. Don't think they don't know when you make a fumble, boys, for they give you the bad eye when

this is done.

* * *

The Philadelphia Giants have a very strong team. It looked as though they were going to take that game on Sunday.

* * *

That Petus at first base is a wonder. He stretches his hands like a giraffe does his neck. He is one clever first baseman.

* * *

Don't forget that George E. Jackson, son of Major Jackson, has charge of the cushions at Auburn Park and that Lawrence Chavis is his assistant. There are bright boys and are saving their change they make on Sundays to attend college. They are polite and courteous. "Nuff said."

* * *

June has arrived. The comet has gone, so they say, and warm weather may come on us soon. Some of the players are just waiting for the sun to shine brightly. Then you will see some ball playing.

* * *

Captain Nate Harris is certainly proud of his boys. He says that he has the finest aggregation in the country. Capt. Nate is certainly the right man in the right place. It's fun to see him coach his men and send them from third to home plate.

* * *

Wilson, the grand old man of baseball among colored players, is still holding them down at first. He put out eleven men Sunday at first. He is the backbone of the Philadelphia Giants.

* * *

There is Pierce. We use to see him at Louisville. He is in good form. Pierce

would have given a \$100 bill if Wallace would have dropped that uy on Sunday. Look out, "Chappie," Pierce is right after you catchers.

* * *

For loyalty Major R. R. Jackson is great. We saw the Major at the Armory Sunday at 1 o'clock, and he, like a veteran soldier, marched to the church where the memorial services were held. At 4 o'clock in the afternoon Major and the old correspondent were on the same seat, looking at the Giants making it warm for the "Phillies."

* * *

The Cuban Giants and the Frank Leland Chicago Giants play a series of games this week. The games are set for Wednesday, Thursday and Friday. Mendez, the famous Cuban pitcher, will toss the ball.

* * *

The Leland Giants will play the Artisans on next Sunday. A large crowd is expected to be present. Mosley and Foster claim that they are very optimistic with reference to the outlook of their team.

* * *

The Philadelphia Giants will play a series of games this week. They play the West Ends on next Sunday. Captain Wilson claims that he will take them all. The Giants are in great form, with Hayman and Pierce the battery.

* * *

Jimmie Taylor has gone to the Gophers. Frank Leland has sold him to his original team.

* * *

Johnson, Booker and Payne got two-base hits on last Sunday. These three are

the "safe" men on the team. Pryor comes through the field with a three-base hit. The Lelands' batting average is going skyward.

* * *

Petway and Hutcherson got two-base hits. When it comes to hitting the Lelands are just some pumpkins. A double play (Lloyd to Johnson to Booker) was one of the features of the second game on Decoration Day.

* * *

Francis, Pierce and Richardson are in the two-base-hit class during the past week.

* * *

When a white and colored team are playing and the decision is very close it looks like the decision invariably goes to the white team. Don't get discouraged, boys, you can beat them.

* * *

The boxes in the grand stand at the Chicago Giants' park are just the card. Gentlemen bring their lady friends and are given fine service. Every box was taken on last Sunday, with just one seat saved for the old correspondent. He enjoyed the game and yelled hurrad for Green when he made that famous catch in right.

* * *

It's a little early for any serious consideration about the two famous teams playing a series of games. THE FREEMAN and the fans will look forward to that event with great interest.

* * *

Baseball, baseball! That's all the talk just now. After the game, many of the popular fans go to the Motts Cafe for that Sunday dinner at 6 p. m.

* * *

M. Haynes is thinking seriously of playing ball again. There are a number of fans anxious to see Haynes back on the diamond. He is one of the cleverest ball players hereabouts.

“Jimmy” Smith was missed last Sunday at the Chicago Giants’ Park. It was the annual sermon day for the Eighth Regiment and Lieut. Smith was present at the Quinn Chapel church at the hour of the ball game. He will be on hand next Sunday.

BASEBALL AT LOUISVILLE.

BY JESSE PALMER.

The Cubs continued their winning yesterday. Stung by the defeat of Saturday, the Cubs, like a drowning man, grasped at the last straw and won out in a Gar- rison finish by a batting rally in the ninth. Alexander, who pitched for the Plutos, pitched great ball, but the Cubs found him in the ninth inning. Griffin was hit hard, but received good support, winning his game with a Texas Leaguer to right center with two men on bases.

Little Griffin announced one of his Tex-

as Leaguers and won his game Sunday.

It seems that Emery has recovered his batting eye.

By the way, Prim made a hit Sunday when it was most needed.

If some of you knockers would only stop to think about it, Martin is playing some short.

Get your eye on the ball, Wallace. George Woolridge says that if you want to win you must hit the ball.

Nat Rodgers played first in great form Sunday. Out of four times up he got three hits and one base on balls.

If there is any doubt in your mind about Watson playing ball at third you should have been down Sunday.

MARCOS TAKE BOTH GAMES.

DAYTON, O.—The Marcos won two farcical games from the Madisonville A. B. colored team last Sunday and Monday. The latter had to work exceedingly hard to prevent being shut out. The A. B.'s were completely outclassed and were helpless under the brilliant work of Benton and King's twirling and Sloan's home run. The Marcos, who have lost only one out of eight, possess all star players. Harris and Brown pitched for the A. B.'s. Umpire Bush. Score:

KANSAS CITY ROYAL GIANTS.

Special to THE FREEMAN.

A six-day league has been formed, which will be composed of six teams, as follows: All Stars of the Inter City League, Atchison, St. Joseph, Soldiers' Home of Leavenworth, Kansas City Royal Giants and Kansas City (Kas.) Giants. A. S. Prather will manage the All Stars and will use Smith Park. It is the intention of the league to play two games a week at each of the three ball parks in the city, a club traveling to St. Joseph, Atchison and Leavenworth, which will keep the teams playing, and a pennant awarded the winner.

The Kansas City Royal Giants and the Minneapolis Colored Keystones met at Shelly Park Friday and Saturday. The Kansas City Royals took one and the Keystones the same, leaving matters even up.

On account of rain the third game was declared off until Tuesday.

The Kansas City Royals are showing up fine. They give the Kansas City fans much pleasure to see them work.

DALLAS, TEX.

Peer old Gainesville. McGarr Wonders are playing some classy ball. While

Waco leads the dope sheet, Houston is on the toboggan. The Monarchs are here for the Black Giants to take their measure.

Umpire Potts is pleasing. "Big Hands" is leading the team, with Rucker, Hendersons and Cat as followers. Jones is coming at short. Lockett and Lampkin are

doing the backstopping to suit the fans. Griffin is not hitting as of yore. Black London and Red Hoss are making other pitchers keep their batting eyes on them.

It takes hitting and running to win, boys.

Manager Walker is all smiles and he means business strictly when talking of his baseball team.

All the knockers are on the down and out list since the Giants have beaten all comers since the league season opened. Dallas beat Houston two and tied one eighteen-inning game. Took four games from the Wonders and tied a thirteen-inning game 2 to 2. Pulled a curtain in their faces two days in succession.

JEANETTE STOPS MORRIS.

Big Black Has Own Way in "Lemon" Bout at Boston.

Boston, May 25.—Joe Jeanette knocked out Andrew Morris, of East Boston, at the Armory A. A. here last night in the third round of their scheduled twelve-round bout. After taking the count three times in the third round Morris' second tossed the sponge into the ring to save their man from being completely annihilated.

It was apparent to the few members that showed up to witness the "lemon" bout that Morris was no match for Jeanette. The big black fighter simply toyed with Morris for two rounds. In the third round Jeanette let loose and that settled it, as far as Morris was concerned.

THE OKLAHOMA BASEBALL CLUB.

We closed the series with the Gainesville Tigers by winning them all hands down and also won a double-header. The score for the first game, 8 to 1. Batteries—Washington and Bolden for the Monarchs; for the Tigers, Eph and Hardgrove. The second game, 7 to 0. Batteries—Webb and Bolden, Monarchs; Tigers, Williams and Hardgrove.

We have won five out of seven on the road, which puts the Monarchs in second place.

Mr. Sporting Editor, we send love to C. J. Taylor, manager of the West Baden Sprudels, as I think he is one of the greatest managers in the business, and myself and the boys also send their best regards to all of the boys of the Leland Giants and also to Frank Leland's Chicago Giants; also let them know that we have almost cinched the pennant.

P. S.—Sporting Editor, I think you are one of the greatest men of our race on sporting dope and I also appreciate the way that you have treated me very much; also hope you will continue. I remain,

Yours,

GEO. DONALD.

KANSAS CITY GIANTS.

Kansas City Giants were scheduled to play a series of four games with the Minneapolis Keystones. Rain prevented all but one. Score, 6 to 5 in favor of the Giants. Linsey and Teenie, battery for Kansas City.

In Winning mood the Kansas City Giants played the Prathers, a strong white team of the City League, five games and took all of them, as follows:

First game, 14-0; Linsey and Teenie, battery.

Second game, 3-0; Taylor and Teenie.

Third game, 3-2; Dorsey and Jackson.

Fourth game, 5-3; Chamberlain and Teenie.

Fifth game, 14-1; Taylor and Teenie.

—Notes—

Mr. Smith, owner of the Giants, is much pleased with their showing.

Red Foster is holding first sack down in great form. George Neal, third base; Bingo Moss, second base; Frog Lindsey, shortstop, are also playing in great form.

Mr. Smith says that he is more than pleased with his pitching staff—Bill Lindsey, Walter Taylor, Oscar Chamberlain and Roy Dorsey—the latter a young pitcher, who has been making good.

Outfield is perfect with M. Lindsey, W. Wilkerson and A. Jackson.

OKLAHOMA, FOUR SWIFT GAMES.

The Monarchs returned home on the 21st, opening the season here with Houston. Before the game was called both clubs paraded the streets in tallyhoos and other vehicles. The game was 5 for the Monarch to 0 for Houston. Batteries—Monarchs: Baby Webb and Bolden; for Houston: McNear and Wills. Attendance—1,500. Umpire—Gharton. Time—1:00.

May 24 the fourth game resulted: Houston 6, Oklahoma 4. Batteries—For Houston: Davis and Wills; for Oklahoma: Hubbard and Bolden, B. Webb and Robinson. Umpire—Gharton.

KANSAS GIANTS WILL NOT STAND BY CONTRACT.

Sporting Editor THE FREEMAN:

I wish to state to the public that I had a contract with Tobe Smith, manager of the Kansas City (Kas.) Giants, to play a series of four games, namely, May 14, 15, 16 and 17.

We played the first game, and then it began to rain. I stayed with my men until my contract was out. When I demanded my money Mr. Smith absolutely refused to pay on account of not having good weather.

Now, this is the kind of men that are hurting the game, and I thought it was my duty to let the public know what they can expect from a contract with this individual. He is the most unreliable man I ever did business with.

I also had a contract with the Royal Giants of Kansas City, Mo., for the following week. The weather was very bad and the gate receipts fell far below the guarantee, but the management paid us in full without a word.

I simply make the statement to set the

public right in regard to the baseball proposition in Kansas City.

COL. EDWARD F. MITCHELL,
Manager and Owner Minneapolis Key-
stones.

CUBIAN GIANTS LOSE TO THE SPRUDELS.

Special to THE FREEMAN.

WEST BADEN, Ind.—The West Baden Sprudels beat the Cubian Giants May 19, 20 and 21, two games out of a three-game series, 2 to 1 and 9 to 8. The first game went in the Cubians favor 3 to 0. The three games were never decided until the last man was out, the last going ten innings. Ben Taylor and Morton Clark were on the slab for the Sprudels and were effective at all times. Manager Bright, of the Cubians, liked Taylor and Clark so well that he offered them a big salary to come with him, but Taylor and Clark say they know which side their bread is buttered on. Bright also wanted to take Brown, the well-liked center fielder of the Sprudels. The so-called champions are beginning to realize that the Sprudel stockholders know good ball players when they see them, and there has been any number of them made special trips to West aBden in order to try to entice some of the Sprudels with them. Rube Foster secured Daughterty from the Sprudels and other managers thing they can do the same this year, but ball players want to be protected, and West Baden is the town that protects their players and also gives them what they promise; also they have the benefit of the waters and the board can not be beat. The players also know they have a season's work and

no danger of being sent away at any time until the season is over. Messrs. Burnett, Pollard and Rogers extend an invitation to all managers if they can take a man from under the management of our worthy and old reliable C. I. Taylor.
