IN THE CITY OF CHICAGO.

By CARY B. LEWIS.

CHICAGO GIANTS LOSE TO RED SOX.

Special to THE FREEMAN.

The Chicago Giants being defeated on last Sunday by the Red Sox sent them to fifth place in the City League. It was the first game of the Chicago Giants at their new home, 61st and St. Lawrence avenue. The game was not marked by any sensational slab work or flashes of brilliant playing, but was evidently an unlucky day for the Giants, for they had a good chance to tie the game in the fourth inning, there being one score in and a good hitter at the bat and two out, but he was unable to deliver the goods. They were never able to rally again in any part of the game.

"Chappie" Johnson worked hard and faithfully and threw the ball down to second and put several men out, while he threw several more and the second baseman was unfortunate with the ball. Costly errors were in a large measure the cause of the game being lost. The Giants tried the hit-and-run play for several innings, but the Red Sox beat them to it.

"Cyclone" Williams started to pitching, but Walter Ball was put in the box later. The Red Sox showed good form and just outplayed the colored boys. Eddie Kahn of the Red Sox started the battle by bringing in two men, and this lead they kept up until the close of the game.

Pettus made a beautiful double play unassisted and Moore a two-base hit and Williams struck out three men and Ball four. The game looked pretty good up until the eighth inning, when the Red Sox started a rally and bombarding and

succeeded in bringing in four more scores. The eighth inning told the tale, for there was nothing doing in the ninth and the game closed with a score of 7 to 1 in favor of the Red Sox.

It was an ideal deay and the grand stand was packed with half white and half colored fans, while the bleachers and "Sons of Kentucky" were on guard cheering at all times. The score:

LELAND GIANTS WIN.

The Leland Giants won their game from the Kansas City Giants on last Sunday. There was a large crowd present. Wickware pitched a splendid game, striking out seven men. The visitors were able to score only one run, and that was in the seventh inning, while the Lelands started off with a score, making one in the second, two in the sixth and four in the eighth. It was almost a complete wallop and the Kansans were baffled all through the game. At one time it looked as though it would be a shut-out. The score:

A heavy bombardment in the seventh and eighth innings caused the downfall of the Cuban Stars last Saturday at Logan Square Park, Callahan's team winning by the score of 8 to 2. WEST ENDS, 6; PHILADELPHIA GIANTS, 5.

The West Ends trimmed the Philadelphia Giants last Saturday at West End Park by the score of 6 to 5. Nichols' men tucked the game away early in the contest by good hitting and clever baserunning, the West Sides counting six runs in the first four innings. Trinkaus did well on the slab, but received ragged

support, and Jack Campion hit like a fiend, while the West Ends ran bases at will. Score:

BASEBALL GOSSIP.

Every fan was confident that the Chicago Giants would have tied the Red Sox in the fourth inning on last Sunday, but luck was against the colored team.

• • •

"Chappie" Johnson was certainly in the game. "Chappie" got the crowd with him during the rally in the fourth and the white team began to

and the white team became rattled, and with a small hit it would have been a different tale.

* * *

A fly was knocked in right field near an officer of the law. He was "Johnnie on the spot" and caught it. The crowd yelled, "Sign him, sign him!"

* * *

Pettus's headwork in the sixth inning saved the opponents from bringing in a score. He made a double play unassisted. His work on Sunday was very clever.

* * *

It was poor fielding that lost the game for the Giants. But the pitchers did good work, and fumbling with the ball caused so many of the Red Sox to "mosey on home."

* * *

"Steel Arm" Johnnie Taylor won his game from the Eclipses on last Sunday morning. It was an even break with the Chicago Giants on last Sunday.

* * *

Moore knocked a two-base hit and it looked as though it was going over the fence. It was the hit of the day among the Giants.

* * *

The first hit of the game was made by Eddie Tahn of the Red Sox. It was a two-base hit, bringing in two men.

* * *

"Chapple" Johnson made a great catch, sewing up the sixth inning.

* * *

Manager Frank Leland sat on the bench near the Giants and did his best to cheer them to victory. He regretted to see them lose the game.

* * *

The Leland Giants will leave on Thursday for Cheboygan, Wis., to play two games.

* * *

* * *

The mighty "Rube" and Bearguard Mosely are all smiles over the success of their teams.

* * *

Has any one noticed Duncan's huge medal? It covers his whole breast.

* * *

The critics report that Foster has one of the best teams ever organized.

* * *

Hill and Duncan pulled off several big league catches in the field on last Sunday.

* * *

"Bill" Lindsey is a good pitcher. All he needs is a good team behind him. He had all the sluggers on the team bending after him.

* * *

When it comes to first base playing, please see Mr. Foster of the Kansas City Giants.

* * *

The Leland Giants report a delightful trip to French Lick, West Baden and Louisville. Foster and his men were given quite an ovation. Foster has hosts of admirers all over the country. The team is expected to go East later on.

* * *

Lloyd, Hill, Duncan and Johnson used all kinds of headwork in the game on last Sunday.

* * *

The fans that attended the game of the Chicago Giants on last Sunday were very much pleased with the new park. The crowd was immense and a cool breeze added much pleasure to the occasion. As usual, there was a large number in the boxes, which are commodious, with plenty of chairs, clean and dusted.

* * *

Mendez, the famous Cuban pitcher, won his game from the Artesians on last Sunday.

last Sunday. They also won from the Dixon Browns the same day.

* * *

Overflow seats are expected to be called for at the Chicago Giants' new park, 61st and St. Lawrence. Quite a number who were uninformed that the Giants had moved wended their way to 79th street. BBy another week everybody in town will know of the Giants' new park.

* * *

J. F. Howard, advertising manager of The Freeman, was a spectator at the game on last Sunday. Howard met a number of his old-time friends. He says Chicago is the greatest city in the country for baseball and The Freeman is the best paper to get the baseball sport news.

* * *

The all-absorbing talk now among the fans is the Jeffries-Johnson fight. All the ball players have their money on Johnson. Jack has written several of the players to put all they have on him, for he says that he is "going to bring the coonskin home."

* * *

The Chicago Giants will play the Spauldings on next Sunday at 61st and St. Lawrence streets. This will be a game in the regular City League and a large crowd is expected.

* * *

"Although in the fifth place of the City League, the Chicago Giants will be heard from," said an ardent admirer of

the team. Continuing, he said, "I expect them to win the pennant. They are just having a little bad luck right through here. I have hopes and so do all the fans. We are with them."

Clean the Louisville Cubs Two Fine Games, 7 to 3 and 10 to 4.

LOUISVILLE, Ky., — The Leland Giants are robbers. They took everything in sight. Uncle Rube made a clean sweep of the series with the Cubs by winning both games. Notes.

The knockers from Center and Walnut realized their fondest dreams on June 23 and 24.

Rube spread the salve on Nutter an inch thick just before he left. Sure Uncle Rube won both games. If he had lost—oh, oh my!

That was the prettiest week-day crowd of Thursday. The fair sex was out in a goodly number. The Lelands are a good drawing card.

Wallace is really a great second baseman. His work compares favorably with any player in the country.

You can get The Freeman at Spring Bank Park Sunday.

Watson is still playing big league ball on third and batting in good form.

West pitched good ball and with the proper support things would have been different.

Say, Rube, you got yours.

Home Run Johnson is quite a favorite with the crowd. His witty sayings, good playing and gentlemanly conduct won him many friends.

That's all right, Grif. There'll come a time some day.

It is up to the management of the Louisville Cubs if they want to sustain the past reputation of their club. Several good players have left the team; in fact, the Cubs are not the team of 1909. It is now up to the management to give the fans what they are willing to pay for, and that is a winning team.

SPECIAL TO THE PENSACOLA
EVERGREEN, Ala., June 23.—We left Pensacola June 20 and played in Brewton, Ala., 21st and 22d, winning the first day 6 to 4 and the second day 3 to 0. We played here 22d and 23d, winning the first day 8 to 7. The feature of the game was Boot's hitting, getting four hits out of four times at bat and scoring four runs; also Hannon's playing at third. He made two one-handed stabs and threw the runner out at first. That would make Bill Bradley feel proud.

One of Boot's hits was a home run.

Turner, the youngster picked up in Mobile, pitched the second day, letting the Brewtons down with two hits. Rain fell during the game.

Patton pitched the game here and Harris did the catching.

We picked up Smith, a catcher, at Brewton who has an arm almost equal to Petway of the Leland Giants.

Scotland pulled off a couple of good plays, throwing out two men at first base on what should have been hits from center field.

We are on our tour of the North. Our next games are in Selma, then to Montgomery, where the boys are anxious to play, as most of them live there. Cobbs, Patton, McCoy, Harris, Hannon and Scotland played their first game in fast company in Montgomery.

We play in Montgomery June 30 and July 1, jumping from there to Memphis for July 3 and 4.

McCoy is getting everything around second base that comes his way.

The team's lineup had to be changed on account of Cobb being sick.

Regards to the Dixie Parks and New Orleans Eagles.

We are sorry to hear of Moss Point disbanding.

MINNEAPOLIS IN TEXAS.

Playing Good Ball, But Manager Hard
to Please.

Ft. Worth Special to FREEMAN.

The Minneapolis colored Keystones are

here in Texas playing great ball; doing
all they can to please Mr. K. F. Mitchell,
the manager. Mr. Mitchell does not treat
his men right; he treats us as if we were
a lot of dumbbrutes. He does it here be-
cause we are away from home and can-
not get back, because he won't pay off on
due time. All the boys are sore on him,
yet they play good ball on account of
Mr. Gatewood. Even he is disgusted;
and everyone knows that he is one of the
best colored pitchers known. He is the
speediest and best spit-ball pitcher in the
game today.

Mr. James Shawlin has made himself famous with his great hitting. John Merida is also a great slugger. Frank Young is the Texas favorite at second base. Pitcher Jackson is the coming pitcher. McNear, our little southpaw, is a fine hitter. Davis is a great drawing card down here. He is a great fielder at shortstop.

When the team reaches Chicago, just watch them go some. McCane is the coming third baseman; watch him in a couple of years. Don't know who will play the manager next season, because he does not know how to treat a baseball team right.

OKLAHOMA CITY MONARCHS.

Going East for Big Games.

Sporting Editor:

From the class of baseball that has been played in the colored Texas League, the Oklahoma City Monarchs seem to be out of their class. The colored Texas League has now broken up.

Since the dissolution of the league the Monarchs have strengthened and are now looking forward. They will take a tour through the East in a few weeks. They would like to hear from any and all of the managers in that part of the country.

Mr. C. H. Young, the manager and owner, also Captain eGorge Donald think the Monarchs since they have strengthened are too strong for the Southern clubs. The fans in this section only come out to see the Monarchs work. It is a saying throughout the league circuit that the Monarchs were in a class to themselves. All of the games seem to be one sided.

PERSONNEL OF SOME GREAT PLAYERS.

SPECIAL TO THE FREEMAN.

I wish to say to you that we have the best team in the South, and all of my boys buy and read THE FREEMAN.

We have a team composed of former big league players, such as James Patton, of the Philadelphia Giants of 1909, a southpaw and one of the headiest pitchers in baseball; Kid Boots, of the Brooklyn Royal Giants of 1908, at third, showing all of the boys how to handle both fast and slow-hit balls. He is a Hans Wagner at the bat, hitting the ball over the fence to all the pitchers he has met this season. Two or three hits in every game is his style. Henry Hannon, of the Philadelphia Giants of 1909, is a brick wall around second base, and hits them hard and often to all pitchers. Joe Scotland, of the Cuban Giants of 1908, is in center field making all hard chances look easy. He is fast on bases. He should be called the black Ty Cobb of the South. Willie Cobb at short is getting everything that comes his way, and hitting the ball like a demon. He played with the Cuban Giants in 1908. Jesse Turner, a youngster picked up in Mobile, is playing on first base. Look out, Al Robinson and Ray Wilson, he will have one of your jobs if you don't mind. Horace Harris has been the best backstop in the

South for years, and is still in the game. When he is catching, the base runners hug the bag. Joe McCoy is as good a utility man as Hoffman, of the Chicago Cubs. He is full of tricks and schemes.

We will have "Happy Jack" Stevenson, the star left fielder of the New Orleans Eagles; also "Sunny Jim" Williams, the star pitcher of the same team to join us before starting on our Northern tour.

Now, Mr. Knox, I don't intend to knock your agent in our city, but you had best give him a little advice on how to write baseball dope.

Yours respectfully,
