Sol. White, of Philadelphia, writes The Freeman that he is very anxious to have the very best team of colored players in the country. A letter to The Freeman on the subject is as follows:

To Editor of The Freeman,
Indianapolis, Ind.,

Dear Sir:

Am securing a colored base ball team for McMahon Bros., of New York, and would like to have the address or a letter from Hutchinson, late of Leland Giants, also Pettus, of Chicago Giants. The McMahons want the best team in the country and have hired me as manager and I feel confident of making good. Have had kind of rough sledding the last two seasons, but things look very bright for 1911. With the task of selecting a new team ahead of me, I expect to keep in touch with you from now on.

We have signed several reputable ball players from the East but withhold the names for the present.

With best wishes for success and hoping to hear from you at earliest convenience, I am,

Yours sincerely,
Sol White, manager,
1309 Poplar street.
