

## STARS ON FRIDAY

Final Home Game With State  
Champs to Be Played Tomorrow.

The Detroit All Stars will finish their engagement in Alma with the Republic Trucks with Friday's game at Republic field, which starts at 5:20.

This game will be the sixth of the series for the state championship, each team having collected two games of the four played up to today. The Friday battle promises to be bitterly fought, as it will make it possible for the series to again be even Friday night, with each aggregation having three games to its credit, thus making a seventh and final game necessary. In such a case the seventh game would probably be a Sunday affair to be played in Detroit.

It is expected that Republic field will see another record in attendance for tomorrow's game, and it is probable that over 2,000 people will pass through the gate.
