

# American Giants Win from Chicago Giants.

The American Giants won the game from the Chicago Giants 8 to 3. It seemed from the start it would be an even break between the two teams, but some very bad decisions from the field umpire was handed to the Chicago Giants. He called one of the American runners safe on third when Green was waiting with the ball in his hand to tag him out when he got there. Then on back of that a Chicago Giant Runner was stealing second Dixon threw the ball to De Moss and De Moss dropped the ball, tagged the runner with his open hand. The umpire yelled "you're out."

Brown of the American Giants pitched the first ve innings and Johnson finished the game.

The Chicago Giants played a good game, but not what was expected; a little more team work and pep. Walter Ball pitched the first three innings but gave way to Taylor who did good work the last part of the game.

# Jackson Hurlers Are Mauled Hard

(Special to the Whip.)

Cash is Hurt and Successors Are Unable To Halt Stars.

Detroit, Mich., May 10th. — Jaxon Independents of Jackson Mich., were slaughtered by the Detroit Stars, Sunday at Mack Park, before a record crowd, 23 to 0.

Cash, the mainstay of the Jackson pitching corps, was injured by a pitched ball in the second inning and was forced to retire from the game. The Detroiters proceeded to maul his successors to all parts of the park and surrounding territory. Ted Blount's employes amassed a total of 21 hits during the afternoon several of which were extra basers. Hewitt helped himself to five clean safeties out of five times at bat. Lyons again shone brightly at bat, knocking out a triple and a homer, the latter being a drive

to deep center, the ball staying in the park. Wesley added a four baser to his string, knocking the ball far out of the park.

The Detroit pitchers allowed but one of the visitors to reach third base.

The Stars will tackle a real foe for five games, beginning Saturday next, the Cuban stars.

## **Howard Defeats Hampton 4 to 3**

By Charles H. Williams.

---

HAMPTON, VA., May 12. — The Howard Baseball team defeated Hampton for the second time this season—4 to 3—in a 11-inning game. The baseball fans witnessed the most

exciting game ever played on the Hampton Institute diamond. One sensational play followed another.

Five double-plays were made during the game, four by Hampton and one by Howard. The features of the game were the playing of Hampton's in-field and the pitching of Brown for Howard. Long, playing shortstop for Hampton was easily the star of the game. Several times he robbed the Howard batters of hits and twice turned them into double-plays. — Brown's pitching was unusually effective with men on bases. Umpire: A. L. Jacken of Newport News.

## **Tate Stars Hold Lively Practice**

About eighteen men trying out for positions on the Tate Stars baseball team reported at Woodland Hills last Sunday for practice. They manifested

throughout the entire practice that any team that beats them will have to stop the pace to do it. Their pitchers seem to be in almost midseason form. Their catchers show wonderful ability for so early in the season. The infield looks tight as a snare drum and the outfield is fast and accurate. DeBoe seems to be a very capable coach and understands the finer points of the game. Under his tutorship the team should reach its zenith.

## Pennsylvania Giants Lose Opening Game.

Philadelphia, Pa., May 10th.—The Pennsylvania Giants are getting in form after opening the season Thursday, April 29, with the Madison Stars at 34th and Reed streets, losing in

a loosely played game 15 to 3. It was the first time all the men had met together. Some of the out-of-town men arrived the day of the game. Manager Victory began the teaching of teamwork and took the boys down to Chester last Saturday, where they performed in midseason form, winning 7 to 6.

The Chester Giants and their 5000 fans had planned to open their new park with a victory, but the brilliant playing of the Pennsylvania Giants upset their wishes.

Little Pop Simmons had everything his own way, having ten strikeouts and four assists.

With air-tight support, Capt. Wick's playing at third and his stick-work, Dallard's pegging, Perkins' hitting and base running and Williams home run, the all-around playing of the team featured. With two out in the ninth Banks pegged to the plate from deep center, saving the game. Score:
